Vote no on bill 11. I used to teach windsurfing on tgis beach. Not only was this a rewarding job it brought a ton of positives for locals and tourists. Let's not give Kailua up to those who can afford to own land and know how to use the political system to close off our freedoms. This area is a gem. Keep it open. In fact make a better bill so we can give these permits to more people. Please vote no.

Thanks  
Brian Boltz
